

# EXAM BLOCK YEAR 12

4 November 2009

Dear Year 12 Parents and Caregivers

Exam block for Year 12 students will be held from Tuesday November 10 until Friday November 13 inclusive.

- During these days, Year 12 students need only attend school for scheduled examinations (see schedule attached)
- Students are expected to be in correct school uniform when attending school for exams.
- All students are expected to attend their exams and if absent a medical certificate is required
- Most exams are scheduled in O Block, but other specialist rooms are used.

A full copy of the exam schedule is attached.

Should you wish for your student to remain at school for all of the exam block period (November 10-13) a suitable study area will be set aside for this purpose.

If you wish to give your permission for your son/daughter to study at home when there is no scheduled examination please sign the appropriate area below and have it returned to school on or before 10 November. These notes are to be placed in the box in the student foyer area of the main office.

Students who participate in exam block do so on the undertaking that all of their assessment for the semester has been completed. Where the permission note is not returned, students will be marked absent for all days during exam block week.

Yours sincerely

**Neil Steinhardt**  
**Deputy Principal**

## MERRIMAC STATE HIGH SCHOOL EXAM BLOCK FOR YEAR 12 STUDENTS
