What is VETiS?

Vocational Education and Training in Schools (VETiS) is a program that enables students to gain nationally recognised qualifications while at school. VETiS can be undertaken in years 10, 11 and 12, and can count towards the Queensland Certificate of Education.

Students undertaking VETiS, which is funded by the Department of Trade, Employment and Training under the VET Investment budget, can complete one employment stream qualification at the certificate I or II level. Eligibility requirements apply, for further information visit desbt.qld.gov.au/training/training-careers/incentives/vetis.

QCE Points

Points calculated as per Section 2.3 Additional VET QCE Credit Rules, in the QCE & QCIA handbook. For further information visit qcaa.qld.edu.au/senior/certificates-and-qualifications/qce-qcia-handbook.

TAFE TASTER PROGRAM UPDATE

The TAFE Taster Program, encompassing Trades, Health, and various other study areas, is currently under review. We anticipate launching a new model in Semester 2, 2025 (subject to change). Due to this ongoing review, program details are not included in this advertisement. Once the review is complete, updated information will be provided to schools for distribution. Thank you for your patience. For any inquiries, please contact the Schools Team directly.
