## ➤ DOCUMENTATION

Entry into our programs is by a Selective Entry Application. All students will need to provide a portfolio that includes:

- ✓ Completed school Enrolment Application which includes 2 past reports and NAPLAN results
- ✓ Completed Selective Entry Application form
- ✓ Completed Selective Entry Student Agreement contract
- ✓ A maximum one page outlining why you believe you should receive a place in the program of your choice
- ✓ Other evidence of achievement ie competition achievements and representative teams (regional, state, national)

In addition to the portfolio an audition for Selective Entry into Dance will also be required.

Applications can be submitted to the Office Administration during business hours. No applications will be assessed without all portfolio documentation. Upon completion of the selection process, staff and specialist teachers will decide on the suitability of each applicant. Once all applications have been processed, applicants will be notified of their result by email.

An annual fee in addition to the school resource scheme fee is payable upon acceptance into a program and each subsequent year that the student is part of a program. The fee for 2021 is \$100 per program. Program fees must be paid prior to the commencement of the school year. If the fees are not paid by the due date this will be taken to indicate the student no longer wishes to participate in the program. Should the student not maintain the standards of the program their participation in the program will be reviewed and entrance fees forfeited.
