## DOCUMENTATION

In order to apply for entry into a Selective Program, students must supply:

- ✓ Completed school Enrolment Application which includes two years of past reports and NAPLAN results
- ✓ Completed Selective Entry Application Form
- ✓ Completed Selective Entry Student Contract
- ✓ A maximum one page of writing outlining why you believe you should receive a place in the program of your choice
- ✓ Other evidence of achievement i.e. competition achievements, Principal's Award, reference letters, school certificates and representative teams (regional, state, national).

In addition to the above, an audition for Selective Entry into Dance will also be required.

Applications can be submitted to the Administration Office during business hours. No applications will be assessed without all portfolio documentation. Upon completion of the selection process, staff and specialist teachers will decide on the suitability of each applicant. Once all applications have been processed, applicants will be notified by email of their result.

## FEES & REVIEW PROCESS

Upon acceptance in a program, an annual fee is payable in addition to the student resource scheme every year that the student is part of the program. The fee for 2022 is \$100 per program. Program fees must be paid prior to the commencement of the school year. If the fees are not paid by the due date, it will be concluded that the student no longer wishes to participate in the program.

Students participating in the Selective Entry Program will be reassessed at the conclusion of each reporting cycle until the end of Year 9 by the Summit Management Board. This review process is to ensure students are meeting the expectations of the program, and to provide additional support for students in order to help them achieve success. Should the student not maintain the standards of the program, they may be at risk of leaving the program and their entrance fees forfeited.
