Please see below our upcoming **Defence Work Experience Programs (DWEP)** for the remainder of 2024 in our region. If you have any questions please do not hesitate to contact us.

The Defence Work Experience Program (DWEP) is a national Youth Program that provides young Australians with an interest in a Defence career, the opportunity to gain exposure to a range of job roles available within Defence and the Australian Public Service. Defence work experience activities are designed to be hands on and interactive so that young people can make informed career decisions.

We work alongside ADF Units to bring students a valuable experience with serving personnel and therefore unforeseen changes or operational commitments may result in a placement being changed, postponed and/or cancelled at short notice.

Please monitor the [DWEP website](#) for updates on the program and to apply. Any questions regarding the work experience programs within South QLD can be forwarded to the South QLD Work Experience Program email address [sqld.workexperience@defence.gov.au](mailto:sqld.workexperience@defence.gov.au). Should you wish to be removed from our mailing list please let us know via email, please also feel free to share this information within your networks to anyone interested in knowing more.
