SQLD Defence Work Experience Program - OFFICIAL

The SQLD Defence Work Experience Program would like to advise you of our new work experience opportunities listed below and are available on our website. Applications may close before the advertised date if large volumes are received. Students are advised places are limited and are strongly encouraged to submit complete and considered applications as soon as possible to avoid disappointment. We work alongside ADF Units to bring students a valuable experience with serving personnel and therefore unforeseen changes to operational commitments may result in a placement being changed, postponed and/or cancelled at short notice.
