PWR Work Exp Program 2023 Information Sheet - Parents & Carers

PWR Performance Products Pty Ltd (PWR) are offering a unique opportunity for students in Year 11 & 12 to undertake work experience.

Who are PWR?

PWR have been supplying bespoke cooling solutions to the motorsport world for over 20 years and are known worldwide as the natural go to for customized radiators, oil coolers, intercoolers, energy store and electronics cooling. PWR have a strong presence in Aftermarket Sales, custom orders and in racing by supplying to teams in Formula 1, Moto GP, Indycar, Nascar, V8 Supercars and many more race categories, winning multiple titles along the way. In addition, PWR are now manufacturing cooling components in the Aerospace and Defence sectors.

Who is the Program aimed at?

The program is most likely to be of interest to students currently undertaking design technology or similar subjects, with an interest in a future career in an engineering trade or undertaking engineering or similar studies at a university after school.

How will the Program run?

Places are limited on our programs, which are held on a number of occasions during the year at our

Advanced Manufacturing Facility located at 103 Lahrs Road, Ormeau 4208. Here are the key details:

- Students will be supervised at all times and will gain experience in our manufacturing and production areas, which may include Fabrication, Sheet Metal and Machine Shop
- At PWR we have an onsite Diner and provide freshly prepared Morning Tea and Lunch every day for all employees free of charge, the students will also benefit from this
- In accordance with our ongoing Covid safe arrangements, we require proof of full Covid Vaccination for anyone entering site – this will apply to the students
- Daily hours of attendance for will be:

Monday 8:00am – 3:00pm (initial day for the Induction)

Monday to Thursday 7:00am – 3:00pm

Friday 6:00am – 2:30pm

Uniforms

Whilst there is a uniform policy, you are encouraged to wear dark-coloured t-shirts and shorts/pants for your work experience. Please do not wear t-shirts with vulgar/crude images or obscenities printed on them and singlets must not be worn. You are always to wear steel cap boots in the factory area for safety reason. Safety glasses are always to be worn in the factory area (they are provided). For safety reasons there is to be no jewellery and please cover tattoos where possible to maintain PWR's professional image.

How does a student apply?

Please visit our Careers Page on www.pwr.com.au/careers/ and click on School Work Experience Program.

You can apply directly through this link or you are more than welcome to email me at lauren@pwr.com.au or contact me on (07) 5547 1602.
