RESPONSIBLE BEHAVIOUR PLAN
FOR STUDENTS

BASED ON THE CODE OF SCHOOL BEHAVIOUR

PHILOSOPHY
Merrimac State High School’s community believes learning is a shared responsibility. We promote a spirit of cooperation and belonging among students, staff, parents, carers and the community.

Our endeavour is to prepare students for life as literate, informed, skilled, happy, responsible and caring individuals who are encouraged through their endeavours to take “Pride in Excellence”.

We are committed to motivating students to continue learning, to contribute positively to their families and communities and to gain fulfilment in their lives by rising to the challenges life presents.

We strive to

- Build positive relationships
- Value difference
- Encourage life-long learning
- Contribute to the school, family and wider community

OUR SCHOOL VALUES
Our strong belief is that everyone has the right to be respected and the responsibility to respect themselves, others and property. It is expected all members of the Merrimac community are reliable in their commitment to ensuring their actions have only a positive influence on all.

We stand for

- Respect
- Responsibility
- Reliability
**PURPOSE**
Merrimac State High School is committed to providing a safe, respectful and disciplined learning environment for students and staff. Students will have opportunities to engage in quality learning experiences and acquire values supportive of their lifelong wellbeing.

This Responsible Behaviour Plan for Students is designed to facilitate high standards of behaviour so learning and teaching in our school is effective and students may participate positively within our school community.

**LEARNING AND BEHAVIOUR STATEMENT**
There exists a safe and tolerant school environment with the expectation that all members of our community respect themselves, others and the environment. The school promotes and values quality relationships to ensure all students, parents and teachers take responsibility for their part in providing high standards of education. All parties are held accountable for the quality of these relationships.

Students are expected to attend every school day on time, ready to learn and with the necessary equipment for the day’s work. Participation in sport develops self-discipline, sportsmanship and commitment to team members. These attributes strengthen commitment to the school’s values. Sport is an integral part of the school's curriculum and all students are required to participate.

In order to support students through the education process, the Positive School Wide Behaviour Support (SWPBS) program has been adopted. This framework allows us to monitor, review and improve behaviour in all students. Our major focus is in identifying, promoting and rewarding positive behaviours. Additional support and timely interventions are implemented when a student exhibits unacceptable or potentially dangerous behaviour.

**CONSULTATION AND DATA REVIEW**
The plan has been developed in collaboration with our school community. Broad consultation with parents, staff and students was undertaken through a series of meetings in 2012. The School’s Parents and Citizens Association (P&C) endorsed the plan at the May 2013 meeting. It has subsequently been endorsed by the Principal, the President of the P & C Association and the South East Queensland Regional Executive Director.
STANDARDS OF BEHAVIOUR

A fair and positive whole school culture has been developed through our Life Pathways program. Teachers engage students with a balanced, relevant and engaging curriculum and use quality learning and teaching practices. Staff encourage and reward positive behaviour and there are many specialists in the school to whom students are referred for intensive behaviour support. Modified curriculum and flexible timetables can be arranged if this becomes necessary. Students are always encouraged to take responsibility for their own actions and the consequences that these actions have on other people.

Staff model acceptable behaviour for students and acknowledge every situation as a learning experience.

In order to reinforce positive behaviour in students, a Phoenix reward system has been established. Students are given a bronze Phoenix award for community service and general exemplary behaviour. Silver awards are given to students who undertake outstanding commitment to the school community, act as role models for other students, or who have earned a large number of bronze awards. Gold awards are given to students who have earned multiple silver awards and these prestigious commendations are announced at our Presentation Night.

UNIVERSAL BEHAVIOUR SUPPORT

At Merrimac State High School we identify the following rights:

- To teach and learn in a supportive environment filled with opportunities enabling individuals to accept responsibility for developing their potential;
- To express and share ideas, to ask questions in an appropriate manner at the correct time and place;
- To be respected and appreciated as an individual in an environment where recognition and success are valued;
- To be in a physically, socially and emotionally secure environment with facilities appropriate for learning and teaching; and
- To be treated without prejudice, intimidation or harassment of any kind in a just and consistent environment.

The school has identified behaviours reinforcing our values and these expected behaviours are taught to students regularly through:

- Behaviour lessons conducted by classroom teachers;
- Reinforcement on school assemblies and during extra-curricular activities; and
- Behaviour expectations in student diaries.

TARGETED BEHAVIOUR SUPPORT

The majority of students do the right thing every day. When this is not the case, a three level approach is used to assist students meet expected behaviour standards. Having all students meet the expected level of behaviour is of such importance to the school that a Head of Department (HOD) of Positive Behaviour has been appointed. The HOD of Positive Behaviour oversees all aspects of our behaviour support programs.

Level 1 behaviour shows a lack of respect for others and results in disruption to the learning and teaching process. A student exhibiting disrespectful behaviour in a classroom will draw attention from the teacher who will use strategies to focus the student’s attention back on the lesson. If this approach fails, the student will be asked the following three questions:

• What are you doing?
• What should you be doing?
• What will happen if you continue?

Students will be given another opportunity to modify their behaviour, but may choose to leave the classroom and report to the Positive Behaviour Support Room. Here they will answer a questionnaire under the guidance of a teacher. The student will stay there until the end of that lesson. It is not a form of punishment as the student has made the choice to leave the class.

Level 2 behaviour requires assistance from the Faculty Head of Department and relates to a student’s lack of preparation or participation in class.

Level 3 behaviour warrants immediate attention from the HOD of Positive Behaviour as it concerns the safety and well-being of staff and students. At all stages, support mechanisms such as Year Coordinators, Mentor Teachers, Guidance Officers and Administration will be used to help achieve most constructive outcomes.
INTENSIVE BEHAVIOUR SUPPORT

CONFISCATION
The Education General Provisions Ace EGPA (2006) and the Responsible Behaviour Plan for Students permits schools to confiscate property as a disciplinary sanction in their behaviour policy. Confiscation must be a reasonable sanction and decisions taken about the retention or disposal of confiscated items must also be reasonable.

If items are prohibited, this means that they should not be brought onto the school site, allowed on school trips or visits or be in the possession of students as they journey to or from school.

If a member of Administration believes that a student is in possession of a prohibited item or has brought one onto the school site, then the school reserves the right to search a student’s belongings and their locker, in order to confiscate and sometimes dispose of such items or forward such items on to the authorities.

Prohibited items that will be immediately and permanently disposed of include:

- Chewing gum
- Solvents
- Aerosols
- Gob Stoppers
- Stink bombs or water balloons
- Permanent markers
- Steel rulers
- Fluid white-out

Prohibited items that will be confiscated and retained for parents/carers or the student to collect and include:

- Skate boards and scooters
- Jewellery (see uniform policy)
- Cigarettes, tobacco, lighters, matches, and other smoking devices (parental collection only)
- Alcohol (parental collection only)
- Prescription medication (parental collection only)
- I-pods or mobile phones – if used incorrectly

Prohibited items which will be confiscated and forwarded on to the police include:

- Laser lights/pointers
- Imitation weapons including BB guns
- Fireworks and explosive devices
- Weapons including chains
- Illegal drugs and any associated implements
- Any item that could be used as a weapon

Possession of the items that require police involvement will incur a consequence that may include exclusion.
USE OF ELECTRONIC DEVICES

The school operates a “Bring Your Own Device” Program which permits students to use their personal laptop at school to support and further their education.

It is the student’s responsibility to back up the data on their laptop on a regular basis. It is the responsibility of families to keep their laptop in good working order to ensure minimal disruption to learning. It is expected that students bring their laptop to school each day fully charged. Each laptop should be clearly labelled with the student’s name. It is highly recommended that laptops be transported in a case or carry bag to protect it from accidental damage and that the laptop is insured and covered by warranty to last the students time at the school.

The school discourages students from bringing mobile phones to school and accepts no responsibility in the event of loss, theft or damage to any electronic device. Junior students are not to use mobile phones at school, and are strongly urged not to bring them to school. In emergencies, parents can always contact the office to relay information to students. However, if these devices are brought to school despite this advice, the following applies:

- It is important that students display courtesy, consideration and respect for others whenever they are using these devices.
- These devices should not be used where disruption will result.
- Appropriate disciplinary action will be taken against any student who photographs or video’s other individuals without their consent, or who sends harassing or threatening text messages.
- Students who use video imagery to motivate or incite violence at school will be treated in a similar manner to those who commit the violent act
- Students are responsible for the safe keeping of their electronic devices.

Students who use digital media either at school or after hours in a negative way which affects the school’s good order, management or reputation will face disciplinary action.

Devices potentially containing evidence of criminal offences may be reported to the police. In such cases police may take possession of such devices for investigation purposes and students and parents will be advised to contact Queensland Police Service directly.

The use of any form of media or digital device to photograph, record, intimidate or harass any member of staff will most likely lead to exclusion from the school.

The inappropriate use of any electronic device will be considered level 1 behaviour and the device may be confiscated.

Confiscated devices are stored in the Student Hub safe for the remainder of the day. They may be retrieved from the Student Hub after 3.00pm. Repeat offenders may lose the right to bring their device to school as it is considered these students are deliberately disobeying and not meeting their responsibilities to uphold our school values.
OUT OF SCHOOL HOURS DETENTION POLICY

Detention is given to students in accordance with Merrimac SHS Responsible Behaviour Plan for Students and within the parameters outlined in the Safe, supportive and disciplined school environment procedure as a disciplinary option used to address inappropriate student behaviour.

The Principal has the flexibility and authority to apply detention as a meaningful consequence for inappropriate student behaviour and as an alternative to suspension or exclusion.

At Merrimac SHS detentions can be applied:
- during school hours
- after-school hours on a school day or
- on a Saturday morning

At Merrimac SHS teachers have been authorised by the Principal to implement detentions both during school hours and after-school hours on a school day. Saturday morning detentions may be issued by the Principal, Deputy Principals or Heads of Department.

Detentions during School Hours
Detentions during school hours will be issued during a lunch break. Students are required to report to the teacher implementing the detention for a maximum of 20 minutes duration (provision made for food and toilet breaks during the remaining time at lunch). During the detention, students will be fully supervised and will be required to complete teacher set tasks.

Detentions After-school Hours
Detentions after-school hours will be issued on a week day for a maximum of 60 minutes duration from 3.15-4.15pm. During the detention, students will be fully supervised and will be required to complete teacher set tasks. These detentions will be primarily assigned as a result of a student truanting lessons.

Saturday Morning Detentions
Saturday morning detentions will be issued for 3 hours duration from 9.00am to 12.00pm. Students are required to be in attendance at the Student HUB (H Block) in clothing appropriate for community service such as light gardening. Students will be supervised by staff members at all times.

Saturday morning detentions provide an alternative to being suspended from school. Should a student fail to attend a Saturday morning detention, a further consequence for the original behaviour will be applied which may be a long term suspension.

Protocols for After-hours Detentions and Saturday morning Detentions
If the detention is to be undertaken outside of school hours, including Saturday the following procedures will apply:
- Parents will be notified of the proposed detention at least 24 hours before the detention is scheduled to occur and have given consent
- Parents will be consulted about suitable times for the detention to be completed within the parameters set by Merrimac SHS
- Parents will be informed of:
  - Location, times and duration of the detention
- Their responsibility to arrange travel/ supervision to and from the detention, where appropriate

After-hours and Saturday morning detentions will be recorded in OneSchool for future reference.

BULLYING BEHAVIOUR

Through positive actions, we aim to create and maintain a safe learning environment by reducing bullying or harassment so school is a happy place for all students.

Bullying is typically repeated and intentional hurt inflicted on someone by words or actions of another person or group to exert power. Parents and the school working in partnership will have the most significant impact on reducing bullying or harassment.

Bullying can take many forms:

**VERBAL**
- Name calling or persistent teasing;
- Threatening; or
- Ridiculing another person’s appearance, physique or actions.

**PHYSICAL**
- Pushing, poking, shoving, spitting; or
- Deliberately damaging property.

**INDIRECT**
- Spreading rumours, malicious gossip;
- Deliberately hiding property; or
- Ignoring and persistent exclusion from friendship circles and social exclusion.

**CYBER**
- Deliberate inappropriate use of mobile phone, text messaging and internet communications such as Facebook and Instagram.

These actions demonstrate a breakdown in the relationship between students.

**WHAT IS NOT BULLYING?**

One-off occurrences of punching, fighting, theft; and/or name calling are not bullying.

These one-off incidents do not represent a break-down in relationship between two students. This type of behaviour will be dealt with under the school’s Responsible Behaviour Plan.

**MINIMISING BULLYING**

Numerous activities are undertaken to develop strong friendly relationships between students. Some of these include:

- a transition program from primary to high school;
- self-esteem, relationship development and anti-bullying programs run in Phoenix Classes;
- student mentor program;
- student council promoting positive bystander behaviour;
- cross age extra-curricular activities;
- year level camps;
- Year Level Coordinators or Team Leaders working with smaller cohorts of students;
- special support programs for improving low self-esteem and socialisation skills;
undertaking annual survey of students regard their bullying concerns; and
using the data from the National Safe School Framework survey to inform improvements in practice.

WHEN BULLYING OCCURS, WHAT SHOULD BE DONE?

**BY THE STUDENTS**
- Initially use appropriate responses to solve the problem (e.g. walk away);
- Seek intervention by reporting bullying to a teacher, support staff or parent;
- Demonstrate positive bystander behaviour and tell a teacher, support staff or parent if they see another student being bullied; and
- Never ignore the situation.

**BY THE PARENT**
- Model appropriate behaviour at all times;
- Support the school's philosophy;
- Watch for signs of your child being bullied;
- Encourage your child to adopt the anti-bullying strategies taught at school;
- Instruct your child to immediately tell a teacher or support staff if they are bullied; and
- Inform your student’s Year Coordinator immediately of any suspected bullying.

**BY TEACHERS**
- Model appropriate behaviour at all times;
- Reassure the individual that bullying is unacceptable. Listen to the student and ask what you can do to help;
- Use shared concern intervention tool as appropriate;
- Provide advice, intervene and monitor; and
- Record all reported incidents on OneSchool, and make a referral to the Year Coordinator/Team Leader.

**PROCEDURES**

**STAGE 1**
Initial reports of bullying resolved with assistance of classroom teacher and Year Coordinator/Team Leader. All details recorded on OneSchool.

**STAGE 2**
Continued bullying referred to Deputy Principal. If appropriate, initiate the process of Restorative Justice or Shared Concern and place student on a Behaviour Improvement Plan (BIC). Both sets of parents/caregivers to be informed and identify role they can play in assisting the resolution.

**STAGE 3**
When bullying continues after support and involvement of parents, the conditions of the BIC have been ignored. This will lead to suspension or a recommendation to exclude the student.
Management of Disciplinary Matters

Consequences for unacceptable behaviour are described in full in the following tables:

\(^1\) Minor disciplinary matters means disobedience or misconduct of a less significant nature, which can be dealt with by teachers, Heads of Department, Year Coordinators, Behaviour Management Staff, Deputy Principals or the Principal.

\(^2\) Most likely outcome means the likely outcome for an identified misbehaviour. It does not mean that this outcome will result in all cases. Ultimately, the severity of disciplinary outcomes is determined by the school Principal based on an assessment of the totality of the alleged misbehaviour, the consequences of the said misbehaviour and the students’ personal circumstances (including their behavioural history).

EMERGENCY RESPONSES FOR CRITICAL INCIDENTS
The school has a Critical Incident Policy which is advertised on our school’s website. It contains a clear definition of an emergency situation or critical incident and our responses.

NETWORK OF STUDENT SUPPORT
Students at Merrimac State High School are supported through positive reinforcement and a system of universal, targeted and intensive behaviour support from:

- Parents
- Teachers
- Support Staff
- Head of Department
- Administration Staff
- Guidance Officer
- Behaviour Management Specialist
- Positive Learning Centre Staff
- Senior Guidance Officer
- School Chaplain
- School Based Youth Health Nurse
- Youth Support Coordinator

Support is also available through the following government and community agencies.

- Disability Services Queensland
