## About go card

go card is your electronic ticket to travel seamlessly on all TransLink bus, train (including Airtrain), ferry and tram services in South East Queensland.

It's simple to use. All you need to do is top-up your card, touch on at the start of your journey and touch off at the end – easy!

And it comes with many great benefits:

- Your fare is automatically calculated and deducted from your card balance, there's no need to worry about transfers, off-peak or frequent user travel discounts.
- It's cheaper than the cost of a paper ticket and there's a few ways to save when you travel with go card.
- Register your go card online to view your travel history, top-up your card and protect your travel credit if it's lost or stolen.
- See Brisbane City in a whole new way when you use your go card to hire a CityCycle.
