

## International Student Subject Selection

In year 10 students study six **(6)** subjects consisting of

- One (1) **compulsory** English Subject
- One (1) **compulsory** Mathematics Subject and
- Four (4) **elective** subjects including any subjects required by your home school.

### Selection Process

You are required to choose **two selections on each subject line** by placing a one **(1)** for your first preference and a **(2)** for your second preference.

### Compulsory subjects

1. List the subjects you are required to study by your home school **here:**

1		3	
2		4	

2. On the subject lines, select at least one (1) English subject, one (1) Mathematics subject and any subjects required by your home school with a one (1) in the compulsory study column.
3. Select back up subjects by placing a two (2) in the elective study column.

### Elective subjects

4. Select any elective subjects on the remaining subject lines with a (1) as first preference and a (2) as second preference in the **elective study** column.

Please refer to the senior curriculum booklet for subject information using the following link.
